Hi Omar,

I realized I don't know your schedule. If Powertech chooses the 4:00 time slot, it may be better for you to leave early and call in once you get home.

Subject: [SPAM-Sender] Follow-up Discussion

Douglas and Valois,

Good evening, hope things find you well.

We would like to have further discussion on our technical comments, as you may remember, we only briefly discussed in our last meeting. Would it be possible to schedule a teleconference?

Thanks.

John
